Product Portfolio

YAGEO Resistors

1 Market Leader
**+30% World's
Production**

Automotive

Industrial

Alternative
Energy

Consumer
Electronics

- 1st to market metal current sensor 01005
- 1st to provide a complete series of lead-free chip resistors
- Automotive thick film series, and industry pioneer of anti-solder joint crack

KEMET Polymer Tantalum

1 Market Leader
**+40% World's
Production**

Automotive
AD
& ADAS

Cloud &
Connectivity

Portable
Devices
& IoT

Aerospace
& Defense

- 1st to market automotive, aerospace and defense
- Portfolio of polymer patents (150°C, humidity bias)
- Vertically integrated supply chain

Product Portfolio

YAGEO MLCC

- Various case sizes from 01005 to 2220 (inch)
- High capacitances for Class I and Class II
- Complete high frequency product range up to 150°C

KEMET Ceramic Capacitors

- Trusted global supplier for automotive
- Technology leader in Class I dielectrics (C0G and U2J)
- Technology leader in High Voltage rated ≥ 500 volts
- Commitment to large case size MLCCs from 0805 – 3640 (EIA)

KEMET Film Capacitors

Automotive

EV
Charging

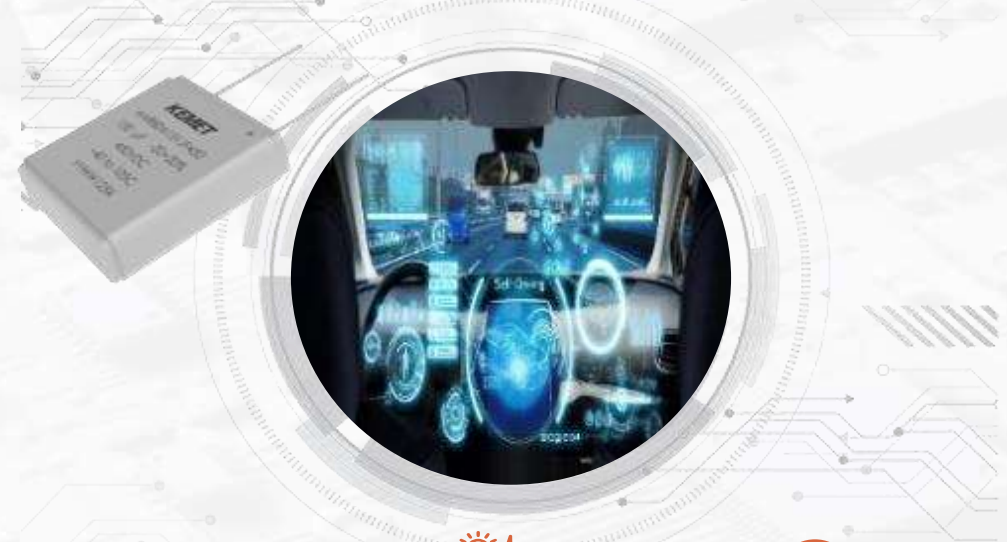

Industrial

Alternative
Energy

- 1st to market for Safety Caps, DC Link and Haptic Actuator
- 85°C/85 R.H. auto-grade miniaturized RFI suppressors and SMD
- Solutions for power applications (compact design, low ESL, and ESR)

KEMET Aluminum Electrolytic Capacitors

Automotive

Alternative
Energy

High
Voltage

Power

- Leading global supplier of DC-Link for 48V MHEV and OBC for BEV
- 1st to market AEC-Q200 Aluminum Rectangular 450V capacitor
- Serve the most demanding automotive and industrial applications

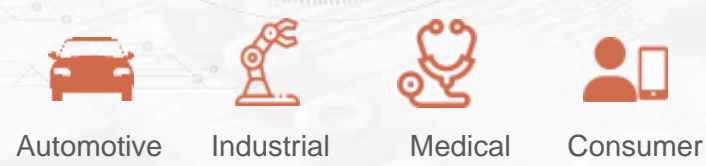

Product Portfolio

Pulse Magnetics

- Global leader in Power, Wired Communication and Wireless Communication Magnetics
- World's #3 in Power Inductor and Automotive Magnetic products
- World's #1 Discrete LAN Magnetic products

KEMET Magnetics

- Leader in specialty magnetic materials and applied products
- 1st to market EMI suppression solution
- Advanced materials development technologies
- Customizable capabilities and solutions

Product Portfolio

KEMET Sensors & Actuators

YAGEO Circuit Protection

- Technology leader in piezo ceramic materials and applied products
- High reliability and high precision products
- Easy to design customization capabilities and solutions

- Complete product portfolio
- Market leader in overcurrent and overvoltage protection
- Hyper-fix TVS series with exceptional high current capabilities

Product Portfolio

Upcoming M&A

Heraeus Nexensos

Automotive Industrial

- Headquarters: Germany
- Products: Thermal Sensors
- CY21 Revenue: €78M
- Employees: 480+
- Expected closing CY23Q1

Telemecanique (Schneider Electric)

Industrial

- Headquarters: France
- Products: Industrial Sensors
- CY21 Revenue: €283M
- Employees: 1,660+
- Expected closing CY23Q3
